You will be able to open your trading Account(s) in USD/EUR or any currency that may be offered by the Company. Account(s) balances will be calculated and reported to you in the currency in which Account(s) are maintained.

9. POLICIES AND PROCEDURES

Placing of instructions

You may give us instructions in electronic form through the The Company Online System. If any instructions are received by us by telephone, computer or other medium we may ask you to confirm such instructions in writing. We shall be authorized to follow instructions notwithstanding your failure to confirm them in writing. In this Agreement "instructions" and "requests" have the same meaning.

Types of Requests Accepted

Some of the types of requests the Company accepts include, but are not limited to:

Good till Cancelled ("GTC") – A request (other than a market request), that by its terms is effective until filled or cancelled by Client. GTC Requests are not automatically cancelled at the end of the Business Day on which they are placed.

Limit Request - A request (other than a market request) to buy or sell the identified contract at a specified price. A limit request to buy generally will be executed when the ask price equals or falls below the bid price that you specify in the limit request. A limit request to sell generally will be executed when the bid price equals or exceeds the ask price that you specify in the limit request.

Market Request- A request to buy or sell the identified contract at the current price that the Company provides via the Online System. A request to buy is executed at the current contract ask price and a request to sell is executed at the current contract bid price.

One Request Cancels the Other Request ("OCO") - A request that is linked to another request. If one of the requests is executed, the other will be automatically cancelled.

Stop Loss Request - A stop loss request is an instruction to buy or sell a contract at a price which is worse than the opening price of an open position (or worse than the prevailing price when applying the stop loss request to an already open position). It can be used to help protect against losses. Please note that because of gapping, the best available price that may be achieved could be materially different to the price set on the stop loss request and as such, stop loss requests are not guaranteed to take effect at the price for which they are set.

Trailing Stop Request - A trailing stop is the same as a stop loss request with the only difference being that, instead of setting a price at which the request is activated, the trailing stop request is activated at a fixed distance from the price. For example, if Client has

<https://www.swissultency.com/>

purchased a long open position and the market contract ask price increases, the trailing stop price will also increase and will trail behind the market ask price at the fixed distance set by Client. If the market ask price then decreases, the trailing stop price will remain fixed at its last position and if the market ask price reaches the trailing stop price, the request will be executed. Please note that because of gapping, the best available price that may be achieved could be materially different to the price set on the trailing stop request and as such, trailing stop requests are not guaranteed to take effect at the fixed distance for which they are set.

Following submission of a request, it is your sole responsibility to remain available for request and fill confirmations, and other communications regarding your Account until all open requests are completed. Thereafter, you must monitor your Account frequently when you have open positions/requests in the Account.

Your request shall be valid in accordance with the type and time of the given request, as specified. If the time of validity or expiration date/time of the request is not specified, it shall be valid for an indefinite period.

Terms of Acceptance for Requests

It is your sole responsibility to clearly indicate the terms of an request when entered, whether it is a market request, limit request, stop loss request or any other type of request, including the relevant price and volume size. You acknowledge and agree that, despite our best efforts, the price at which execution occurs may be materially different to the price specified in your request. This may result from sudden price movements in the underlying that are beyond our control. The Company shall have no liability for failure to execute requests. The Company shall have the right, but not the obligation, to reject any request in whole or in part prior to execution, or to cancel any request, where your Account contains margin that is insufficient to support the entire request or where such request is illegal or otherwise improper.

Execution Policy

We are required to have an execution policy and to provide our clients with appropriate information in relation to our execution policy. Where you place requests with us, the execution factors that we consider and their relative importance is as set out below:

- Price. The relative importance we attach is "high".
- Speed. The relative importance we attach is "high".
- Likelihood of execution and settlement. The relative importance we attach is "high".
- Size. The relative importance we attach is "high".

We are the counterparty to every request you place with us and therefore we are the only execution hub.

Authority

<https://www.swissultency.com/>

We shall be entitled to act for you upon instructions given or purporting to be given by you or any person authorised on your behalf without further enquiry as to the genuineness, authority or identity of the person giving or purporting to give such instructions provided such instruction is accompanied by your correct Account number and password. If your Account is a joint account, you agree that we are authorized to act on the instructions of any one person in whose name the Account is held, without further inquiry. We shall have no responsibility for further inquiry into such apparent authority and no liability for the consequences of any actions taken or failed to be taken by us in reliance on any such instructions or on the apparent authority of any such persons.

Cancellation/withdrawal of instructions

Non-market requests may be cancelled via the The Company Online System but we can only cancel your instructions if you explicitly request so, provided that we have not acted up to the time of your request upon those instructions. Executed instructions may only be withdrawn or amended by you with our consent. The Company shall have no liability for any claims, losses, damages, costs or expenses, including legal fees, arising directly or indirectly out of the failure of such request to be cancelled.

Right not to accept requests

We may, but shall not be obliged to, accept instructions to enter into a Transaction. If we decline to enter into a proposed Transaction, we shall not be obliged to give a reason but we shall promptly notify you accordingly.

Control of requests prior to execution

We have the right (but not the obligation) to set limits and/or parameters to control your ability to place requests at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation):

- controls over maximum requested amounts and maximum sizes;
- controls over our total exposure to you;
- controls over prices at which requests may be submitted (to include, without limitation, controls over requests which are at a price which differs greatly from the contract market price at the time the request is submitted to the requests' book);
- controls over the Electronic Services (to include, without limitation, any verification procedures to ensure that any particular request or requests has come from you); and/or
- any other limits, parameters or controls which we may be required to implement in accordance with any Applicable Regulations.

Adjustments

Clients must be aware that derivative contracts transactions carry a high degree of risk. The amount of initial margin may be small relative to the value of the derivative contract so that

<https://www.swissultency.com/>

transactions are 'leveraged' or 'geared'. A relatively small price movement may have a proportionately larger impact on the funds that the Client has deposited or will have to deposit. This may work against as well as for the client.

The Company exclusively reserves the right to widen its fix and variable spreads, adjust leverage, change its rollover rates and/or increase/decrease the margin requirements without notice under certain market conditions including, but not limited to, when the desk is closed, around fundamental announcements, as a result of changes in credit markets and/or Company's exposure and/or at times of high volatility or abnormal liquidity. In such circumstances, the Client agrees to indemnify the Company for any and all losses that may occur due the widening of spreads and the adjustment of leverage.

Execution of requests

We shall use our reasonable endeavors to execute any request promptly, but in accepting your request we do not represent or warrant that it will be possible to execute such request or that execution will be possible according to your instructions. If we encounter any material difficulty relevant to the proper carrying out of an request on your behalf we shall notify you promptly.

Negative balance protection

SWISSUltency ensures at its own cost that any losses that exceed your overall account balance will be automatically reset to zero (an automatic correction will be executed). This means you will never lose more than the deposit.

Confirmations

At the end of each day, confirmations for all Transactions that we have executed on your behalf on that day will be available via your online Account on our website, which is updated online as each Transaction is executed. Confirmation of execution and statements of your Account(s), in the absence of manifest error, shall be deemed correct, conclusive and binding upon you if not objected to immediately by email if requests were placed through The Company's Online System or by telephone to the The Company Desk, within five Business Days of making such confirmations available to you via our website.

In cases where the prevailing contract represents prices different from the prices posted by the Company, the Company will attempt, on a best efforts basis and in good faith, to execute market requests on or close to the prevailing contract prices. This may or may not adversely affect client's realized and unrealized gains and losses.

Improper or Abusive Requests

The Company's objective is to provide the most efficient liquidity available in the form of streaming, tradable prices for most of the contracts we offer on the platform. As a result of the highly automated nature of the delivery of these streaming, tradable prices, you acknowledge and accept that price misquotations are likely to occur from time to time.

Should you execute strategies with the objective of exploiting such errors, misspecifications or misquotation(s) or act in bad faith, the Company shall consider this as unacceptable behaviour. Should the Company determine, at its sole discretion, that you or any representative of yours on your behalf is taking advantage, benefitting, attempting to take advantage or to benefit of such misquotation(s) or errors or product misspecifications or that you are committing any other improper or abusive act such as for example, including but not limited to:

- fraud/illegal actions that led to the transaction;
- requests placed based on manipulated or wrong prices as a result of system errors or system malfunctions;
- consecutive requests placed on a product on which the spread is below the weighted average of the product's volatility for 1 minute, 5 minutes, and 15 minutes time intervals;
- consecutive requests placed to take advantage of system and products specifications without any market or economic risk and reasoning behind;
- high frequency requests;
- arbitrage on prices offered by our platforms as a result of systems specifications or errors; and/or
- coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates;
- coordinated transactions without economic risk by related parties in order to take advantage of system and products specifications or awards.

Then the Company will have the right to:

- adjust the price spreads available to you; and/or
- restrict your access to streaming, instantly tradable quotes, including providing manual quotation only; and/or
- obtain from your account any historic trading profits that you have gained through such abuse of liquidity as determined by us at any time during our relationship; and/or
- reject a request or to cancel a transaction; and/or
- immediately terminate our business relationship;

Prohibited Transactions

No employee and/or former employee who currently works or used to work on a full time or part time basis for the Company or any of its related entities shall, during the term of the employee and/or former employee's service to the Company or any of its related entities and after termination of service become a client of any brand of the Company (either directly or indirectly, alone or with partners, associates, affiliates or any other third party) without the

<https://www.swissultency.com/>

Should the Company consider that the employee and/or former employee is transacting with any brand of the Company without the Company's prior written approval personally and/or via a third party we shall consider all the trading to be abusive and/or improper business. In such circumstances the employee and/or former employee's account(s) and all open transactions shall be closed immediately and any funds held within the account shall be confiscated.

No business associate or former business associate of the Company or any of its related entities shall, during the period of the agreement between the associate/former business associate and the Company and after termination of such agreement, become a client of any brand of the Company (either directly or indirectly, alone or with partners, associates, affiliates or any other third party) without the Company's prior written approval. Should the Company consider that the associate/former business associate is transacting with any brand of the Company without the Company's prior written approval personally and/or via a third party we shall consider all the transactions to be abusive and/or improper. In such circumstances the relevant associate/former business associate's account(s) and all open transactions shall be closed immediately and any funds held within the account shall be confiscated.

Disabling and Cancelling Deposits

We have the right not to accept funds deposited by you and/or to cancel your deposits in the following circumstances:

- if you fail to provide the Company with any documents it requests from you either for client identification purposes or for any other reason;
- if the Company suspects or has concerns that the submitted documents may be false or fake;
- if the Company suspects you are involved in illegal or fraudulent activity;
- if the Company is informed that your credit or debit card (or any other payment method used) has been lost or stolen;
- where the Company considers that there is a chargeback risk; and/or
- when you deposit \$15,000 or more or if you make over 10 separate deposits to your Accounts and the Company is unable to verify your credit or debit card details or is unable to verify any other payment method used.

Islamic accounts

We might offer the possibility to open Islamic (Swap-free) Accounts with us. Swap-free accounts are available only to those clients who cannot use swaps owing to their religious beliefs. Accordingly, in all instances where a request for an Islamic (Swap-free) Account is filed with us, we reserve the right to require an adequate justification for and/or proof of the necessity or need of any such conversion. Furthermore, we reserve the right to refuse the processing of any such request for any reason whatsoever, without being obliged to provide any explanation or justification.

We reserve the right to revoke the Swap-free status granted to any real Account at any time without being obliged to provide any explanation or justification. 11. CLIENT MONEY

Client Money

We treat money received from you or held by us on your behalf in accordance with the requirements of the Client Money Rules.

Interest

You, the client, acknowledge and confirm that no interest will be received on the balance of your account.

Overseas banks, intermediate broker, settlement agent or OTC counterparty

We will endeavour to hold client money on your behalf within the European Union, however we may also hold your money outside the European Union. We may pass the funds received from the Client to a third party (e.g. an intermediate broker, a bank, a market, a settlement agent, a clearing house or OTC counterparty located outside European Union) to hold or control the funds in order to effect a Transaction through or with that person or to satisfy the Client's obligation to provide collateral (e.g. initial margin requirement) in respect of a Transaction. We have no responsibility for any acts or omissions of any third party to whom we will pass thru the funds sent by you. The third party to whom we may pass the funds you deposit may hold it in an omnibus account and it may not be possible to separate it from other corporate funds, or other third party's funds. In the event of insolvency or any other analogous proceedings in relation to that third party, we may only have an unsecured claim against the third party on behalf of the Client, and the Client will be exposed to the risk that the money received by the Company from the third party is insufficient to satisfy the claims of the Client in respect of the relevant account. We do not accept any liability or responsibility for any resulting losses. By accepting our Terms and Conditions you accept this settlement risk. We may deposit/pass thru Client funds with a depository/settlement agent who may have a security interest, lien or right of set-off in relation to that money. A Bank/Broker/Settlement Agent through whom we deal with could have interests contrary to the Client's Interests. The legal and regulatory regime applying to any such bank or entity will be different from the legal and regulatory regime in the European Union and in the event of the insolvency or any other analogous proceedings in relation to that bank or person, your money may be treated differently from the treatment which would apply if the money was held with a bank in an account in the European Union. We will not be liable for the insolvency, acts or omissions of any third party referred to in this clause.

Unclaimed client money

You agree that we may cease to treat your money as client money if there has been no movement on your balance for one calendar month. We shall write to you at your last known email address informing you of our intention of no longer treating your balance as client money and giving you 5 days to make a claim.

Liability and Indemnity

You agree that we shall not be liable for any default of any counterparty, bank, custodian or other entity which holds money on your behalf or with or through whom transactions are conducted.

The Company will not be liable for loss suffered by you in connection to your funds held by us, unless such loss directly arises from our gross negligence, willful default or fraud.

12. MARGINING ARRANGEMENTS

<https://www.swissultency.com/>

Contingent liability

Where we effect or arrange a Transaction, you should note that, depending upon the nature of the Transaction, you may be liable to make further payments when the Transaction fails to be completed or upon the earlier settlement or closing out of your position. You may be required to make further variable payments by way of margin against the purchase price of the contract, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the contract price of your contract will affect the amount of margin payment you will be required to make. We will monitor your margin requirements on a daily basis and we will inform you as soon as it is reasonably practicable of the amount of any margin payment required under this clause.

Margin call

You agree to pay us on demand such sums by way of margin as are required from time to time as we may in our discretion reasonably require for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated Transactions under this Agreement.

Failure to meet margin call

Please note that in the event that you fail to meet a margin call, we may immediately close out the transaction/transactions. At the moment the Margin Level indicator on your trading account is equal or less than 50%, the Stop Out mechanism will be automatically triggered and your transaction (s) will be automatically closed, at the first available contract price.

Form of margin

Margin must be paid in cash in currency acceptable by us, as requested from time to time by the Company. Cash Margin paid to us is held as client money in accordance with the requirements of the Client Money Rules. Margin deposits shall be made by wire transfer, credit card, e-wallet or by such other means as the Company may direct. Each product margin requirements/leverage is shown in the Specifications tab, included in the platform.

Set-off on default

If there is an Event of Default or this Agreement terminates, we shall set-off the balance of cash margin owed by us to you against your obligations (as reasonably valued by us). The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under Clause 15 (Netting).

Further assurance

You agree to execute such further documents and to take such further steps as we may reasonably require to perfect our security interest over and obtain legal title to the Secured Obligations.

Negative pledge

<https://www.swissultency.com/>

You undertake neither to create nor to have outstanding any security interest whatsoever, nor to agree to assign or transfer, any of the cash margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.

General lien

In addition, and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Regulations, we shall have a general lien on all cash held by us or our Associates or our nominees on your behalf until the satisfaction of the Secured Obligations.

15. NETTING

Rights on Default

On the occurrence of an Event of Default, we may exercise our rights under this clause, except that in the case of the occurrence of any Event of Default specified in Clause 14.2 or Clause 14.3 of the definition of Events of Default (each a “ Bankruptcy Default”), the automatic termination provision of this clause shall apply.

Liquidation Date

Subject to the following sub-clause, at any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the “ Liquidation Date”) for the termination and liquidation of Transactions in accordance with this clause.

Automatic termination

The date of the occurrence of any Bankruptcy Default shall automatically constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-clause shall then apply.

Calculation of Liquidation Amount

Upon the occurrence of a Liquidation Date:

- neither of us shall be obliged to make any further payments or deliveries under any Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount (as defined below);
- we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us in writing or, failing any such specification, the lawful currency of the United States (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant exchange as may be available on, or immediately preceding, the date of calculation); and
- we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "Liquidation Amount").

Payer

If the Liquidation Amount determined pursuant to this clause is a positive amount, you shall pay it to us and if it is a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

Other transactions

Where termination and liquidation occurs in accordance with this clause, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this clause, any other transactions entered into between us which are then outstanding.

<https://www.swissultency.com/>

Payment

The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under this clause (converted as required by applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid such amount and bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11.00 am (London time) (or, if no such rate is available, at such reasonable rate as we may select) plus one (1%) per annum for each day for which such amount remains unpaid.

Base Currency

For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.

Payments

Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

Additional rights

Our rights under this clause shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

Application of netting to Transactions

This clause applies to each Transaction entered into or outstanding between us on or after the date this Agreement takes effect.

Single agreement

This Agreement, the particular terms applicable to each Transaction entered into under this Agreement, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Transactions entered into on or after the date this Agreement takes effect are entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

16. RIGHTS ON DEFAULT

Default

On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under the Clause 15 (Netting) we shall be entitled, without prior notice to you:

- instead of returning to you funds equivalent to those credited to your account, to pay to you the fair market value of such funds at the time we exercise such right;
- to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select or and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realise funds sufficient to cover any amount due by you hereunder;
- to close out, replace or reverse any Transaction, buy, sell, borrow or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or
- to cancel and/or consider void any Transactions and profits or losses either realised or unrealised and/or to close out the account(s) you maintain with us pursuant to this Agreement, immediately and without prior notice.

17. TERMINATION WITHOUT DEFAULT

Termination

Unless required by Applicable Regulations, either party may terminate this Agreement (and the relationship between us) by giving ten (10) days written notice of termination to the other. We may terminate this Agreement immediately if you fail to observe or perform any provision of this Agreement or in the event of your insolvency.

Upon terminating this Agreement:

- all amounts payable by you to us will become immediately due and payable including (but without limitation);
- all outstanding fees, charges and commissions;
- any expenses incurred by terminating this Agreement; and
- any losses and expenses realised in closing out any Transactions or settling or concluding outstanding obligations incurred by us on your behalf.

The Company shall apply best execution rules in cases where you have not provided the Company with specific instructions regarding the closing of your transactions.
